Cook Your Catch

Here at The Boathouse, we're lucky to have the deep and plentiful waters of the English Channel only a 35-minute sailing from our doorstep. If you're fishing the local waters with our sister company, Plymouth Boat Trips, we'll cook your catch for you on your return. Take it from us, there is nothing better than savouring the freshest fish, that you've caught yourself, it's a great experience for all the family!

Departing just seconds from The Boathouse, you'll set sail across Plymouth sound and past the spectacular breakwater, heading for plankton-rich, deep waters where the mackerel & bigger species await!

Each trip lasts 3 hours, with longer private charter trips available. You can book your fishing trip and CYC direct with Plymouth Boat Trips at www.plymouthboattrips.co.uk. All fishing equipment is provided, just dress for the weather!

When you return from the high seas, we'll have fresh bloomer bread, olives and dipping oil waiting for you at The Boathouse. We'll take your catch, fillet and cook it for you, served simply, with crisp salad and fries – we think it's the best way to enjoy fish this fresh!

Fishing: £25.00 per person
