

THE BOATHOUSE

SEAFOOD CAFE, BAR & TAKEAWAY

Welcome Aboard!

Here at the Boathouse its all about fresh food, simply cooked to showcase the quality of our produce.

As an award-winning venue for our sustainable sourcing, we serve the freshest local fish and shellfish caught by the Salty Sea Dogs on our own inshore day boats "The Sidney Rose" & "Elin-D".

Anything not caught by us comes from Moby Nick and is always sourced to support the local fisheries or from certified sources to ensure sustainability.

Our meat and dairy produce is sourced from Devon and Cornish farms.

Our gourmet Coffee and Teas come from Voyager Coffee.
